ABOUT CAW WRITING SUPPORT

Each WIP course has a WIP peer tutor. WIP peer tutors are undergraduate students who have successfully completed this WIP course.

WIP peer tutors are available to help with your writing at any point in the semester – you don't even need to have anything written to work with WIP peer tutors.

WIP peer tutors hold five (5) regular hours per week at the Center for Academic Writing (listed on the right). If your WIP peer tutor's hours do not work for you, please email him directly to discuss scheduling an appointment outside those hours.

TYPES OF WRITING SUPPORT

- One-on-one (25 or 50 minutes)
- Workshops (for some WIP courses)
- Writing groups (for some WIP courses)

WAYS TO MEET WITH YOUR WIP PEER TUTOR

- Face-to-face at CAW or other NEIU locations
- Google Hangouts through Nmail – chat or video
- Phone
