

ARCHIVE of 2010 Mathematics Dept. Announcements

Important Announcement!

[Posted 12/10/10](#)

The MA Mathematics program for Elementary School Teachers is currently under revision. Applications to this program are closed until after January 1, 2012.

[Posted 12/10/10](#)

The last day to submit course permission forms for processing in 2010 is 12 noon Monday December 20, 2010.

Forms submitted after this time will not be processed until after January 5, 2011. If you need to submit a course permission form, please refer to the course permission form link above. Instructions are on the form. If you seek authorization to enroll in a Math 090, 091 or 092 courses, please call the Math Development office at 773-442-5767.

Use the Schedule Lookup via [NEUport](#) for the most up-to-date course information.

[Posted 11/15/10](#)

The comprehensive examination for MS Mathematics will be given Friday November 19, 2010 from 5-8pm in room SCI 211.

If you are in the MS Applied Track, please contact Professor Gidea, m-gidea@neiu.edu to register for the exam

If you are in the MS Secondary Education Track, contact Professor Cordell, s-cordell@neiu.edu to register.

Best wishes to all on the exam!

All are invited to attend the following Master's Presentations.

Eileen Erisman will give her Master's Presentation on Wednesday, August 4, 2010 from 11:30-12:30pm in room SCI317. Her presentation is entitled, "Using Technology and Simulation to Teach Confidence Intervals and Hypothesis Testing in the High School Classroom."

And on Monday, August 9, 2010 Donald Barkley will give his Master's Presentation from 2:00-3:30pm in room SCI242. Mr. Barkley's presentation is entitled, "Implementing a Computational Approach to Classifying Tight Contract Structures on a Solid Torus."

[Posted 06/17/10](#)

-All are invited to attend the opening and closing ceremonies of a two-and-a-half day workshop that will explore the ways in which cultural passions and creative writing can inspire the learning of mathematics and science.

-NEIU students, graduates, colleagues from partner institutions, and faculty are exploring the ways in which cultural passions and creative writing can inspire the learning of mathematics and science. Ethno-Mathematics/Science Passionate Research Workshop
An NEIU HSI Initiative

The opening ceremony will feature an introduction and reading by Latina author and poet Judith Ortiz Cofer. Student peer leaders will also share their projects at this time. NEIU students, graduates, faculty, and colleagues from other institutions will share their work at the closing ceremony.

Opening ceremony:

Monday, June 21

8:30 a.m. - 11:30 a.m.

Buffet breakfast served

Golden Eagles

Closing ceremony:

Wednesday, June 23

9:30 a.m. - 12:30 p.m.

Library 022

For more information, contact: Tanya Cofer (Mathematics), t-cofer@neiu.edu; Isidor Ruderfer (Biology), i-ruderfer@neiu.edu; Heather Patay (MSTQE), h-patay@neiu.edu

[Posted 04/29/10](#)

Chad Reich will give MS project presentation Thursday April 29, 2010 at 1:40pm in room SCI 129. The title of the project is, 'A Mathematical Prescription for a Medical Quandary? A multiple criteria approach to candidate selection for entry into a medical fellowship program.'

[Posted 04/29/10](#)

Buthaina Ruyyashi will give a MS project presentation Thursday April 29, 2010 at 3:00pm in room SCI 222. The title of the presentation is, 'Voting from the Mathematicians Perspective.'

[Posted 04/19/10](#)

The room for the math MS comprehensive exam has been changed. The exam will now be held in room SCI 113.

[Posted 04/15/10](#)

Dr. Paul O'Hara, Professor of Mathematics at Northeastern Illinois University will present at the International Association of Relativistic Dynamics May 31st - June 2nd in Taipei, Taiwan

[Posted 03/30/10](#)

Mathematical Sciences Seminar presents

Lecturer: William Byrd, Northeastern Illinois Mathematics Department.

Presentation Title: Giant Squids and the Electrocardiogram

Time: 3-4:00pm

Friday, April 2, 2010

Room: Science Building, 242

This event is free and open to the public

[Posted 03/15/10](#)

The math MS comprehensive exams will be given Friday April 23, 2010 from 5-8pm in room SCI 113 (the location has been changed to SCI 113). Students should register with Dr. Tanya Cofer for mathematics secondary teaching and Dr. Marian Gidea for applied mathematics.

[Posted 02/20/10](#)

Undergraduate students Kelly Hirschbeck and Chris Toni presented a talk entitled "Comparison of Methods that Check for Tight Contact Structures on the Solid Torus" on February 14th at the LISAMP Symposium in Oak Brook Terrace. Steve Jerome also presented on his chemistry research. Click [here](#) to view photos from this event.

[Posted 02/03/10](#)

The Association for Women in Mathematics (AWM) is sponsoring an essay contest for biographies of contemporary women mathematicians and statisticians in academic,

industrial, and government careers. Contest rules and submission form can be found at this link:

<http://www.awm-math.org/biographies/contest.html>

The deadline is February 27, 2010.
