- Students seeking a second bachelor's degree and graduate students-at-large will be assessed graduate level tuition.
- Undergraduate students who register for the semester following graduation may be assessed undergraduate tuition. Tuition will be recalculated when the student's status is officially updated to a graduate. This usually occurs between one and two months after the beginning of the semester. Students are responsible for paying any additional charges that may occur as a result of the change in status.
- The above table does not include miscellaneous fees as described in Table C, or fees associated with a course.
- See Mandatory fees for a description of the fees.
- **Each semester parking is automatically charged on the student bill and is based on credit hours enrolled. Students who do not require parking must opt out by January 25, 2010.** Tuition and Fees are subject to change without notice.

If the student is classified in error as a resident student, the change in tuition shall be applied to the next term after reclassification. If the student is classified in error

as a non-resident, the change in tuition shall be applicable to the term in which the reclassification occurs. A written claim for reconsideration must be filed within thirty calendar days from the date of assessment of tuition. For additional information refer to the current university catalog.
