### Financial Aid Informational Sessions

The Financial Aid Office has been working to streamline the financial aid packaging and awarding process. Please plan to join us at one of the following NEIUport self-service informational sessions to learn more about these changes. Representatives from Enrollment Services, Financial Aid and Bursar Services will be on hand to share information and answer questions. If you are unable to attend one of these sessions, please visit the Student Self-Service Information section, located in the Current Student tab, for Financial Aid tip sheets and informational updates or stop by the Financial Aid Office. We look forward to seeing you!!!
