

The Dual Admissions Program gives students the opportunity to be simultaneously admitted to Northeastern Illinois University (NEIU) and a participating community college. The goal is to create a seamless and successful transition for transfer students intending to complete their baccalaureate degree at NEIU.

**General Guidelines**

Students who are admissible to both NEIU and a participating community college are eligible to benefit from the Dual Admissions Program. Students indicate their intention to participate by signing this form at the time of their application to NEIU and the participating community college. Dual admission students are subject to the same admissions, degree requirements, and academic policies governing all other NEIU and participating community college students.

**Instructions**

**Step 1:** Apply for Admission to *both* NEIU and the participating community college. NEIU and the community college review the applications separately and students are notified of admission decisions by each institution.

**Step 2:** Submit this form to NEIU along with your application. **Do not submit the application fee. Upon receipt of this form, NEIU will waive the application fee.** If you apply to NEIU online, mail or bring this form to:
