Extension to Tuition Guarantee Plan

Beginning with the Fall 2010 term, undergraduate students who previously qualified for the Tuition Guarantee Plan, as defined in the Schedule of Classes, will now qualify for two additional years of guaranteed tuition.

The tuition rate for the additional two years is equal to the amount charged to undergraduate students seeking their first Bachelor's degree who initially enrolled in the academic year following the students with the additional tuition guarantee. For example, students who first enrolled in Fall 2006 had their tuition guaranteed at the same rate through Summer 2010, and now will have their tuition rate guaranteed for two additional consecutive academic years at the rate charged to students who first enrolled in Fall 2007.

The Tuition Guarantee Plan will expire after six continuous years following initial enrollment, or upon completion of a bachelor's degree, whichever comes first.

Qualifying students will have their Fall 2010 tuition charges adjusted accordingly. Questions can be referred to Bursar Services at (773)442-4700.
