

BE A DRIVING FORCE...

...SHOW YOUR NORTHEASTERN PRIDE!

Northeastern Illinois University is pleased to announce an exciting new initiative - the NEIU Collegiate License Plate program. If you are an Illinois resident, you can support Northeastern and its students through the Collegiate License Plate program. The University will receive \$25 in scholarship support for each original NEIU collegiate plate issuance, renewal or transfer.

To launch the license plate program, NEIU must collect 850 names and signatures as a promise that each individual completing the form below will order a set of NEIU plates when they become officially available through the Illinois Secretary of State.

Any student, alumni, faculty, staff, parent or community member can order these signature plates. The cost for the first year is \$118 and \$105 for each renewal year thereafter. Vanity and personalized plates will be available at additional costs.

Want to show your Northeastern pride and, at the same time, increase scholarship support for NEIU students? Reserve your collegiate plates today!
