The William “Doc” Speller special lifetime achievement award is given to an individual who has demonstrated an outstanding level of commitment to students and has made a significant impact through their years of service to the Northeastern Illinois University community.

- William “Doc” Speller Award

The Dr. Melvin Cleveland Terrell Award in Research and Literature is given to an individual who has demonstrated outstanding contributions to literature as an editor, an author, or a researcher. Additionally their work has impacted the field of education as well as their academic discipline. Their work has also highlighted issues concerning the African American community.

- Dr. Melvin Cleveland Terrell Award in Research and Literature

**On an additional sheet of paper, please provide a brief statement summarizing the achievements and contributions of the individual being nominated and why they are deserving of the particular award.**
