¹ Per Public Act 93-0028, Illinois undergraduate students newly enrolled starting Fall 2004 will have their tuition held constant for a period of four continuous academic years. This policy was extended at NEIU to non-resident undergraduate students.

² Assessed to all Undergraduate students enrolled in 12 or more credit hours who do not show evidence of other health insurance coverage. Final fee calculation for fiscal year 2010 is contingent on the results of negotiation with the insurance carrier. Amount shown is the charge per semester. Note that the Spring semester fee now provides insurance coverage during the Summer semester.

Note: Tuition and fees, other than health insurance and the Green Fee, are charged on a credit hour basis for each credit hour enrolled per semester up to 16 credit hours. There will be no tuition and fee charges for credit hours enrolled above 16 hours per semester.
