NEIU Parking Lot - St. Joseph's Village - 4021 W. Belmont

Northeastern Illinois University-EI Centro has 40 parking spaces available for students on Monday through Friday from 5:00pm through 10:00pm (faculty and staff starting at 3pm) and up to 20 parking spaces on Saturdays from 8:00am through 5:00pm in the St. Joseph's Village parking lot. Parking spaces are available on a first-come first-serve basis, (you may enter the lot on Belmont Avenue west of Pulaski Road—see Parking Map on the reverse side). Students, faculty and staff will be expected to have a valid NEIU Level 2 parking decal to use this lot. We ask that you park on the south end of the employee parking area facing the fence, if you park at any other place you will be towed. University faculty, students and staff are prohibited from parking in the front lot of St. Joseph's Village. There is no speeding, screeching of tires, peeling out, that could cause a disturbance to the residents or cause them to complain about NEIU. All vehicles must be removed each evening and are not to remain in the parking lot under any circumstances on an overnight basis. Vehicles left overnight may be towed at the expense of the owner. A security officer will monitor the lot and will guide you as you enter. This lot is also monitored by security cameras at St. Joseph's Village. Please drive slowly and be courteous at all times.
