

## Biography for Bonnie Fritz

Hello everyone, thank you for taking time to read the bios of the candidates and for voting.

I have been with Northeastern Illinois University since June 4<sup>th</sup>, 2004 when I started with the CEST Department, in the College of Education, as Secretary IV. Since July 16<sup>th</sup> of 2007, I have been with the Psychology Department, in the College of Arts and Sciences, and am currently the Office Manager.

Having an interest in finding out what Civil Service meant to me, I started attending meetings. To try and help others, as well as myself, I became a Council Member. If I am elected, this will be my third time on the Council.

Please note that I am also a part-time student majoring in Communications. I have an incoming Freshman for the Fall. Therefore, many aspects of the university are my concern and I may empathize with your concern.

Again, thank you, *Bonnie*
