

Cathy Duffy

I am a graduate of Northeastern Illinois University. I started working at NEIU as a student aide in the Records Office. Later on, I became a staff member in the Admissions Office. I am currently employed as a Program Administrative Assistant in Student Employment/Career Services. I have held several offices within AFSCME, our Civil Service Union. I have worked on contract negotiations and grievances. For the past two years I have worked on the Civil Service Council. I have always felt that volunteering to work on a committee or event is a positive way to improve the NEIU Community for everyone.

Thank you for your time,

Cathy Duffy
