

Marlene von Gerichten joined the College of Education (COE) as an administrative assistant in June 2005. Prior to joining the COE Marlene was a Human Resources Assistant for three years at NEIU. Marlene started at Northeastern Illinois University as extra help February of 2002 in the Honors program. She currently provides administrative and budget support for the College of Education.

Marlene enjoys being part of the University community. She finds it to be a stimulating environment and looks forward to the opportunity of giving back.
