

Off Campus Housing

Updated 11/24/08

University Disclaimer:

The Office of the Dean of Students provides a listing on housing options available in neighborhoods adjacent to the campus and in the Chicagoland area. Students should be aware that neither Northeastern Illinois University (NEIU) nor the Office of the Dean of Students endorse, recommend or in any manner guarantee the service or quality of service offered by any specific landlord, housing complex, individual, boarding house or realtor. Students are free to choose any living arrangement that fits their needs.

Students should sufficiently explore the housing market so that the lodging they choose is affordable, clean, well-maintained and safe. Likewise, students should exercise caution and ask all relevant questions in advance of signing a lease or entering into any contractual agreements with landlords and/or roommates.
