

Now available at NEIU- El Centro campus

Wi-Fi

We now have internet wireless access at NEIU-El Centro. You may bring your laptop and connect to the internet as easy as 1, 2, 3!

Parking

Can't find a space to park? NEIU-El Centro has parking available around our campus.

Classroom Furniture and Equipment

Most of the classroom furniture has been replaced with new movable student dorsal desks. In addition, all classrooms now have mounted ceiling projectors, speakers, and laptop ready technology enhanced podiums with VCR/DVD combo units.

Recycling

Save the earth one paper at a time! Utilize the blue recycling bins located throughout NEIU-El Centro. These are for recycling paper ONLY.

Learning Commons

The Learning Commons houses a virtual library and supportive services to help students to conduct successful library research and receive academic tutoring/coaching in general education coursework. This space will also provide additional study space and career resources.

Auxiliary Computer Stations

Where you can get your computer work done in a flash! These computer stations are available for students when the computer labs are occupied and are meant for quick access and short-term use and therefore have a 15 minute time limit.

Laptop Rental

NEIU-El Centro students can now checkout a laptop to work on a class assignment, browse the internet or stay connected with the NEIU community, Chicago and the world.
