Hispanics In Hollywood

Wednesday, October 1, 2008

6:10 p.m. – 7:10 p.m.

Where does Hollywood stand today in relation to past misrepresentations?

What are the recurring stereotypes of Latinos in Hollywood productions?

Under what circumstances have these stereotypes changed?

In what context did these stereotypes emerge?

This lecture will provide an overview of the recurrent stereotypes of Latinos in Hollywood cinema, from the silent period to the present.

The Latino Scholar Series at NEIU-El Centro showcases contributions made by Latinos in higher education.
