RE: Educational Leaves for Level I-V Administrators and Department Chairs for
2011-2012

We are pleased to announce the following awards of Educational Leaves for academic year 2011-2012

- Gregory W. Anderson Associate Professor and Chair
Chemistry, Earth Science and Physics

Study and work through classic texts in the field of hydrodynamics to develop a series of object-oriented hydrodynamics programs that can be run on the physics cluster

Fall 2011

- Timothy Libretti Professor and Chair
English

Complete a manuscript titled *The Nations, Genders, and Sexualities of U.S. Proletarian Literature from the 1930's to the Present*, which is an exploration of the way the working-class experience is lived in the context of oppressed nations within the United States and how American authors have represented that experience in literary terms

Spring 2012

Please join us in congratulating our colleagues and in wishing them a productive educational leave. We appreciate the work of the members of the Advisory Committee on Faculty Awards.
