RE: Instructor and Academic Support Professional Awards 2009

I am very pleased to announce that the following members of the university community are recipients of the Instructor and Academic Support Professional Excellence Award for their achievements and contributions to the academic community in the academic year 2007-2008.

Emily Good  
Richard Grossman  
Joan Marie Johnson

Thanks to the Instructor and Academic Support Professional Excellence Awards Committee members for their recommendations and congratulations to those who have earned this award.
