RE: Faculty Excellence Awards 2009

I am very pleased to announce that the following faculty members are recipients of the Faculty Excellence Award for their achievements and contributions to the academic community in the academic year 2007-2008.

|                       |                                   |
|-----------------------|-----------------------------------|
| Shelley Bannister     | Justice Studies                   |
| Debra Bruce           | English                           |
| John Casey            | Philosophy                        |
| Christina Ciecierski  | Economics                         |
| Denise Cloonan Cortez | Foreign Languages and Literatures |
| Ana Fraiman           | Chemistry                         |
| Bradley Greenburg     | English                           |
| Richard Hallett       | Linguistics                       |
| Jeffrey Hill          | Political Science                 |
| Elizabeth Landerholm  | Teacher Education                 |
| Jian Li               | Management and Marketing          |
| Tracey Luedke         | Anthropology                      |
| Sophia Mihic          | Political Science                 |
| Dan Milsky            | Philosophy                        |
| Steven Riess          | History                           |
| Jennifer Slate        | Biology                           |
| Zhonggang Zeng        | Mathematics                       |

Thanks to the Faculty Excellence Awards Committee members for their recommendations and congratulations to these colleagues who have earned the award.
