SUBJECT: Building A Renovation

The planned Building A renovation is scheduled to begin June 29<sup>th</sup>. In preparation for this work, the occupants in the East half of Building A are being relocated and the building will be closed to all through traffic beginning April 30<sup>th</sup>. The West end of the building will remain open for several weeks to support Spanish Dance classes and performances in June. The entire Building A will be closed by June 29, 2007.

With the closure of Building A, access from the northeast corner of campus will be affected. Please see the accompanying map for pedestrian circulation routes that will remain in effect until remodeling is complete, scheduled for early 2009. Also, please note that the drop-off/pick-up site for persons with special needs is being relocated to the east end of Building B.

Please direct any questions to Facilities Management, extension 5240.
