Re: Higher Learning Commission Team Site Visit

On behalf of the University community, I thank Dr. Shelley Bannister, self-study coordinator, and all of the members of the steering committee and campus community who provided crucial leadership and support to the self-study report and the successful site visit of the Higher Learning Commission of the North Central Association to Northeastern Illinois University. This visit and the positive recommendations from the visiting team constitute the first step in the continuing accreditation process. The visiting team stated that they expect that the next visit from the HLC will be in 2016-2017.

Dr. Hahs accepted my invitation to participate in the site visit. Her involvement in the visit is valuable as the University moves forward. I also thank members of the NEIU Board of Trustees and Jack Butler, vice-president, of the NEIU Foundation Board who participated in the site visit.

Thank you to one and all.
