IUOE #399 Ratifies Contract Agreement with Northeastern Illinois University

CHICAGO – On Tuesday November 2, 2010, Northeastern Illinois University (NEIU) representatives were advised by the International Union of Operating Engineers AFL-CIO (IUOE) Local 399 that the membership had voted to ratify the contract terms that had previously been tentatively agreed to between the parties. The four-year contract includes changes in language, a signing bonus and a wage increase for each of the four years of the agreement. NEIU will present the agreement to its Board of Trustees for approval on November 18, 2010.
