### Guide to Project Evaluation

5. **National Science Foundation (NSF)**
  1. [The Online Evaluation Resource Library \(OERL\)](#)

OERL is composed of plans, instruments, and reports that have been used to conduct evaluations of projects funded by the Directorate for Education and Human Resources (EHR) of the National Science Foundation (NSF). OERL also contains glossaries of evaluation terminology, criteria for best practices, and scenarios illustrating how evaluation resources can be used or adapted. To support collaborative deliberation and use of these materials, OERL also provides a discussion board.
