DIRECTIONS FOR COMPLETING THE FINAL REPORT FOR RESEARCH FORM
Do not include this page with your submission to OSP.

1. **Submission Procedure:**

- Submit the collated documents as outlined below to the OSP within 30 days of completion or termination of the research protocol (e.g., all data is collected and final analysis is completed, site participation ended, paper accepted for publication, thesis dissertation defended).
- Incomplete submissions (e.g., those lacking original signatures, those missing documents, those that have documents that are missing information) will not be accepted.

2. **Review Process:**

- Submit the **Original and one (1)** collated copy of the following documents:
 - An original completed and signed Final Report Form.
 - Copies of any publications to date that have resulted from the research and that were not previously submitted
