It is the policy of Northeastern Illinois University (NEIU) to comply with federal requirements that unclaimed student refunds from the Title IV Federal financial aid programs must be returned to the appropriate programs no later than 240 days after the check was issued or electronic fund transfer (EFT) was made. Under no circumstances may unclaimed Title IV Federal student aid (FSA) funds escheat to the state, or revert to the University, or any other third party.

The purpose of this policy is to set forth guidelines and procedures to ensure that the return of unclaimed student Title IV refunds is performed in accordance with Federal regulations, commonly called Title IV, which is administered through the United States Department of Education.

Title IV Federal financial aid programs include: Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work Study (FWS), Federal Perkins Loans, and Federal Direct Loans.

Escheatment is defined as the reversion of property to the state in the absence of legal heirs or claimants.

Federal financial aid regulations require any Title IV federal funds disbursed to a student or parent that are not received or negotiated must be returned to the appropriated federal financial aid program no later than 240 days after the check or electronic fund transfer (EFT) was issued. If a check or an EFT is returned, the University may make additional attempts to deliver the funds, provided that those attempts are made no later than 45 days after the funds were returned or rejected. In case where the University does not make another attempt, the funds must be returned before the end of the initial 45-day period. The University must cease all attempts to disburse the funds and return them no later than 240 days after the date it issued the first check. Under no circumstances may unclaimed Title IV FSA funds escheat to the state, or revert to the University, or any other third party.

For Federal Work Study (FWS) program funds, only the federal portion of the payroll disbursements is required to return.

Refund checks must be cashed within 180 days from their issue date. After this period, un-cashed checks become stale dated and are non-negotiable and must be voided back to student accounts.

A credit balance that is less than $1.00 is not required to pay.
1. **RETURNED TITLE IV CHECK OR REJECTED EFT**

If a check that the University mailed is returned, or an EFT is rejected, the Bursar’s Office must make additional attempts to disburse the funds or return them to the appropriate federal program(s) within 45 days. The University may continue making attempts to deliver the funds, but must adhere to the Title IV Federal funds 240-day limit if it is unsuccessful.

2. **UNCLAIMED TITLE IV REFUND CHECKS**

- The Controller’s Office will run the “Outstanding Title IV Refund Checks” list and provide the list to the Bursar’s Office every month.

- The Bursar’s Office will review the “Outstanding Title IV Refund Checks” list every month and follow the procedures below regarding the outstanding checks.
  
  1. The Bursar’s Office will use all reasonable means to locate the student whose Title IV refund checks has become 120 days old.

  2. If all attempts are not successful, any outstanding Title IV refunds checks that have become stale dated (over 180 days) will be voided. The check must be voided back to the student account. The Bursar’s Office will make an entry, after a check has been voided, debiting the student account and crediting a designated account that the Controller’s Office will specify. This entry will then be interfaced to the Finance General Ledger debiting Student AR and crediting “Unclaimed Title IV Account”.

  3. The Bursar’s Office will then send an e-mail notice to the Financial Aid Office containing the student’s name, student ID number, Title IV program(s), aid year and dollar amount that has been credited to the “Unclaimed Title IV Account”.

- The Financial Aid Office will issue a Direct Payment Voucher (DPV) no later than 240 days after the check issue date to the Controller’s Office requesting a return of the Title IV funds.

- The Controller’s Office, based on the information provided by the DPV, will return funds to the appropriate aid program.

- The Financial Aid Office will make the appropriate change(s) to the Fiscal Operations Report and Application to Participate (FISAP).

- The Controller’s Office will reconcile the “Unclaimed Title IV Account” every month.
