Program Description

The Bachelor of Arts degree in Psychology prepares students for careers that require research and analytical skills, such as careers in community and social services, as well as in human resource and personnel positions in business and industrial settings. Students will also be well prepared for pursuing graduate education in any of the professional or academic areas of psychology and many other fields including law and medicine.

Two elective courses in psychology -- one must be a 300-level psychology course, the other may be 200-level or 300-level.

A 300 level laboratory course
- Selected from the department's current approved list.
- Students must first take PSYC 302 and the appropriate courses from the list above

Senior Capstone Project
- Proposed in advance with assistance from your faculty advisor and approved by the Department chairperson.

Psychology Major Policies
- Students must earn a grade of “C” or higher in all courses counted toward the major. No “P” grades will count toward a major. Psychology courses with “D” grades may be used as university electives.
- A maximum of one 200-level course, in addition to General Psychology, may be used within the major. All others shall be 300-level.
- Transfer courses must be approved by the department before being applied to the major or minors.
- For transfer students at least one half of the courses applied to the major (15 semester hours) must be taken at NEIU.
- No more than two courses, or six credit hours, in transfer from a community college, may be applied to the Psychology major. Any remaining hours may be used as university electives. Community college courses may not be used to fulfill Northeastern’s 300-level requirement.
General Education Requirements

Three options are available to students who plan to complete their General Education requirements at Harper College.

- **Associate of Arts or Associate of Science:** Students who transfer with an approved Illinois Community College Board (ICCB) Model Associate of Arts or Sciences degree will have met Northeastern Illinois University’s General Education Requirements. For information regarding completion of an Associate of Arts or Sciences at Harper College, including assistance with course selection, please visit the Academic Advising and Counseling Center. More information is available at their website [http://goforward.harpercollege.edu/services/advising/currentstudent/index.php](http://goforward.harpercollege.edu/services/advising/currentstudent/index.php) or by calling (847) 925-6393.
