Admission Requirements
A graduate student-at-large (SAL) is an individual who does not wish to pursue a degree but wants to take courses for professional or scholarly reasons, personal enrichment, or to take a few courses before deciding whether to apply to a program. SALs are not admitted to degree-granting programs. As non-degree seeking students, SALs have permission to take undergraduate and graduate-level classes. However, if later admitted to a degree-granting program, only nine credit hours taken as an SAL may be applied toward a degree at the discretion of the program. SALs are subject to all of the same rules governing degree-seeking graduate students. Graduate SALs must have earned a baccalaureate degree or higher from a regionally accredited college or university. Graduate SALs do not qualify for financial aid.

Decision and Review Process
Applications are considered complete when the Admissions Office has received all materials, including transcripts, test scores, letters, and/or immigration documents, if required. Applications are reviewed in order based on the date the file is complete. Please read the instructions carefully to avoid processing delays.

General Information for Applicants
1. A non-refundable $30 application fee is required with the application. Any application received without the application fee or waiver will not be processed. Do not send cash.

2. The application and all materials, transcripts, proof of degree, and/or immigration documents are required by the application deadline.

3. Official transcripts must be in a sealed envelope from the sending institution. Opened transcripts are not considered official.
