Please go to your NEIU website address [http://homepages.neiu.edu/~](http://homepages.neiu.edu/~) (whatever your NetID is) and verify you have proper web page permissions.

If you see this:

![Template](image)

This page belongs to **Your NetID**

This page needs to be set-up by the user - this page is just a place-holder.

You may contact the owner of this page via e-mail to:  

Your Email @neiu.edu

Your webpage permissions are setup correctly and you may continue with your [application](http://homepages.neiu.edu/~) as stated.

However, if you see a picture like this:

![403 Forbidden](image)

**Forbidden**

You don't have permission to access `~/Your NetID` on this server.

*Apache Server at [neiu.edu](http://neiu.edu) Port 80*

You need to send an email to [helpdesk@neiu.edu](mailto:helpdesk@neiu.edu) stating that you need to have your webpage permissions setup. Once you have received confirmation that your webpage permissions are setup (you can see that the page belongs to you) you may continue with your [application](http://homepages.neiu.edu/~) as stated.
