

FCAA Curricular Review
 Recommendations of FCAA Committee Members

November 3, 2011

Approve as submitted:

SPED 515 Research II: Applied Research Project in Special Education, delete, nonsubstantive

Approve with minor changes/clarifications:

ART 202 WIP Methods of Research in Art History, existing

Prerequisite change is not mentioned in the rationale

The penalty for handing in late papers needs to be clarified (it is currently not specified)

Learning objectives for the course are not clear on the syllabus

ADA statement is missing

ECON 310 WIP Business and Economics Statistics II, existing

Course description should contain the prerequisites

Course description – do we need to see the old one? Is the new one on the syllabus? This is not clear

Use of the course title needs to be consistent: WIP: Business and Economics Statistics II.

ADA statement – students need to identify through the Accessibility Center

HIST 324 WIP The Civil War and Reconstruction Eras, 1860-1877, existing

Suggested, but not a requirement for change – 25 percent seems a lot for participation.

SPED 518 Practicum in Special Education, number, title, prerequisite

Minor typos in rationale.

CMTM 250 Introduction to Audio Production, 3cr, Official

Need for ADA policy statement and Accessibility Center

ELAD LEAD Program modification: multiple course title changes.

ELADLEAD- 424: Abbreviation has 30 characters
