

Northeastern Illinois University  
First-Year Experience Program

Date

To the Committee:

Having reviewed the course proposal/syllabus for \_\_\_\_\_,  
I find that the course meets the requirements of the criteria for inclusion in the First-Year Experience Program's "First-Year Colloquium", including 1) adherence to the general theme of "Diversity in Chicago" in its makeup; 2) the incorporation of the core curriculum and its goals/objectives; 3) a field experience component that links classroom learning with research, field work, civic engagement, service learning, and/or other community involvement within the city of Chicago; and 4) alignment with the current General Education curriculum and its goals/objectives.

Signed,

Barbara A. Sherry, J.D.  
Coordinator, First-Year Experience Program
