

STARRED COURSE COMPLETION FORM

This form certifies that the student has finished the graduate requirements of a 300-level “starred” course in the Department of Geography & Environmental Studies. This course is from a limited list, approved by the Graduate College and the University, which can carry graduate credit provided the extra assignments are completed as designated in the syllabus.

The form is filed with the graduate coordinator, who will therefore accept the course as a graduate course at the time of graduation. A maximum of 10 credit hours at the 300-starred level will apply to the Master’s Program.
