**Re:** **REVISED ABSTRACT SUBMISSION FORM**

Dear Faculty,

Attached is the revised abstract submission form for the 17th Annual Research and Creative Activities Symposium. This form includes an area for Faculty Sponsor approval, which was omitted in error on the earlier version. The form is also available at the Symposium website: <http://www.neiu.edu/~srcas/>

The deadline for abstract submission is **March 9, 2009**.

For the last sixteen years, we have enjoyed excellent participation and attendance, and we hope to make the 17th annual Symposium even more successful. This can only be achieved with your participation. If you have questions, please contact any of the steering committee members, below.
