

JUNE

Dear Parents,

Now that warmer weather is here and we will be spending more time outside - going for walks and playing on the playground. So please, be sure to apply **SUNSCREEN LOTION** on your child *before* coming to school in the morning. Sunscreen lotion will be reapplied in the afternoon as needed. We will check your child's extra cloths bag and send home his/her winter clothes. If your child needs more summer cloths, we will let you know. Also, we may leave a pair of pants and a long sleeve shirt, sweatshirt or sweater just in case the weather changes unexpectedly.

We would like to welcome Brayden and his family to our Dolphin Room family and also Ms. Laila & Ms. Zoe our student aides on (Monday - Friday) afternoons.

Starting today, Tuesday, June 1, we will no longer be using our regular communication sheets. We will be sending an email with a shorth update and picture(s) attached. This will be our daily communication going into the summer.

Dates to Remember:
