Chapter 02: Data Security		Responsible Officer: Information Security Officer

POLICY STATEMENT

It is important to safeguard Social Security numbers (SSNs) against unauthorized access and to limit unnecessary dissemination of SSNs to reduce the potential for identity theft. Northeastern Illinois University adopts this Identity Protection Policy to fulfill the requirements of the Identity Protection Act (5 ILCS 179/1, et seq.).

PURPOSE OF THE POLICY

The purpose of this policy is to comply with the State of Illinois and federal regulations related to the collection, use or disclosure of Social Security Numbers as defined by the Identity Protection Act (5 ILCS 179/1, et seq.). The Identity Protection Act requires each local and state government agency to draft, approve, and implement an Identity-Protection Policy to ensure the confidentiality and integrity of SSNs the agencies collect, maintain, and use.

WHO IS AFFECTED BY THIS POLICY

All University employees who have access to Social Security Numbers.

DEFINITIONS

Redact: To alter or truncate data so that no more than five sequential digits of an SSN are accessible as part of personal information.

REGULATIONS

[5 ILCS 179/ Identity Protection Act](#)
[Family Educational Rights and Privacy Act \(FERPA\)](#)
[Fair Credit Reporting Act](#)
[Gramm-Leach-Bliley Act](#)
[Illinois Freedom of Information Act](#)
[Illinois Unemployment Insurance Act](#)

Applicability

1. In accordance with the Identity Protection Act, this policy does not apply to the collection, use, or disclosure of a Social Security Number as required by state or federal law, rule or regulation.
2. In accordance with the Identity Protection Act, this policy does not apply to documents that are recorded with the county recorder or documents that are required to be open to the public.

Embedded Social Security Numbers

Social Security Numbers must not be encoded or embedded in or on a card or document, including, but not limited to, using a barcode, chip, magnetic strip, RFID (Radio Frequency Identification) technology, or other technology.

Social Security Number Protections

Whenever an individual is asked to provide a SSN, the University shall provide that individual with a statement of purpose for which the University is collecting and using the SSN. The University shall also provide the statement of purpose upon request.

The University shall not:

1. Publicly post or publicly display in any manner an individual's SSN. "Publicly post" or "publicly display" means to intentionally communicate or otherwise intentionally make available to the general public.
2. Print an individual's SSN on any card required for the individual to access products or services provided by the University.
3. Require an individual to transmit an SSN over the Internet, unless the connection is secure or the SSN is encrypted.
4. Print an individual's SSN on any materials that are mailed to the individual, through the U.S. Postal Service, any private mail service, electronic mail, or any similar method of delivery, unless State or federal law requires the SSN to be on the document to be mailed. SSNs may be included in applications and forms sent by mail, including, but not limited to, any material mailed in connection with the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the SSN. An SSN that is permissibly mailed will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on (or through) an envelope without the envelope being opened.

In addition, the University shall not:

1. Collect, use, or disclose an SSN from an individual, unless
 - a. required to do so under state or federal law, rules, or regulations, or the collection, use, or disclosure of the SSN is otherwise necessary for the performance of the University's duties and responsibilities;
 - b. the need and purpose for the SSN are documented before collection of the SSN; and
 - c. the SSN collected is relevant to the documented need and purpose.
2. Require an individual to use his or her SSN to access an Internet website or any other software application utilized by the University for normal business usage.
3. Use the SSN for any purpose other than the purpose for which it was collected.

Requirements to Redact Social Security Numbers

The University shall comply with the provisions of Illinois state law with respect to allowing the public inspection and copying of information or documents containing all or any portion of an individual's SSN. The University shall redact SSNs from the information or documents before allowing public inspection or copying of the information or documents.

When collecting SSNs, the University shall request each SSN in a manner that makes the SSN easily redacted if required to be released as part of a public records request. "Redact" means to alter or truncate data so that no more than five sequential digits of an SSN are accessible as part of personal information.

Employee Access to Social Security Numbers

Only employees who are required to use or handle information or documents that contain SSNs will have access.

All employees who have access to SSNs shall be trained to protect the confidentiality of SSNs. The University's Information Protection Training is available [here](#).

These prohibitions do not apply in the following circumstances:

1. The disclosure of SSNs to agents, employees, contractors, or subcontractors of a governmental entity or disclosure by a governmental entity to another governmental entity or its agents, employees, contractors, or subcontractors if the disclosure is necessary for the entity to perform its duties and responsibilities; and, if disclosing to a contractor or subcontractor, prior to such disclosure, the governmental entity must first receive from the contractor or subcontractor a copy of the contractor's or subcontractor's policy that sets forth how the requirements imposed under the Identity Protection Act on a governmental entity to protect an individual's SSN will be achieved.
2. The disclosure of SSNs under a court order, warrant, or subpoena.
3. The collection, use, or disclosure of SSNs to ensure the safety of state and local government employees; persons committed to correctional facilities, local jails, and other law-enforcement facilities or detention centers; wards of the state; and all persons working in or visiting a State or local government agency facility.
4. The collection, use, or disclosure of SSNs for internal verification or administrative purposes.
5. The disclosure of SSNs by a state agency to any entity for the collection of delinquent child support or of any State debt or to a governmental agency to assist with an investigation or the prevention of fraud.
6. The collection or use of SSNs to investigate or prevent fraud, to conduct background checks, collect a debt, obtain a credit report from a consumer reporting agency under the federal Fair Credit Reporting Act, to undertake any permissible purpose that is enumerated under the Gramm-Leach-Bliley Act, or to locate a missing person, a lost relative, or a person who is due a benefit, such as a pension benefit or an unclaimed property benefit.

PROCEDURES

All members of the University community will adhere to the procedural directives outlined in the Regulations section of this policy. This policy will be reviewed every two years or when there are changes to the applicable regulations that govern it.
