Dear Parents,

We would like to WELCOME the new families as well as WELCOME BACK our returning families to the DOLPHIN ROOM! This year promises to be an exciting year for your child. He/she will be meeting new and old friends, making various art projects, and begin to see this room as a warm, caring and fun place to be. It is an exciting time for us as well, because you have entrusted your child’s education to us, and for that we thank you for sharing your precious little one with us. We will also make special time just for your child because we know that sometimes they may need a hug to make their day just right.

This is the first of the monthly Newsletters that we will be sending to you during the school year. Each letter will highlight some of our upcoming activities so you can share in this part of your child’s day. As a way to communicate with you, we have an email account for the classroom, neiudolphinroom@gmail.com. We are going to use this email as a way to keep in contact and send monthly newsletters to you.
September will be a fun-filled month where your child will discover more about his/herself and their surroundings. Your child will start trying to make self-portraits, create pictures and tell us what they’ve made, and share with their friends something that tells about themselves. Also, this month, as well as the upcoming months, we will discuss a different color, shape and vocabulary words. **BLUE** is the color and **SQUARE** is the shape for this month. We will be making blue and square collages, sponge paintings, so your child will know by the end of the month what the color blue and the shape square is. The special day we will have is **BLUE DAY.** **BLUE DAY** is Wednesday, September 14. On blue day we ask that your child wear something blue. Vocabulary words and song lyrics for our color and shape will be on separate sheets.

The age of the children in our classroom is 2 – 3 years old and they are allowed to wear **PULL-UPS** until they are independently toilet trained. Independently toilet trained means that your child is able to go to the toilet by themself, pull their clothes up and down with little help and be in regular underwear. Also, if your daughter wears a dress or skirt to school, please be sure she has shorts on underneath so as to not show her underwear.

This semester we will have our student aide Ms. Victoria. She will be in our room Tuesday – Thursday, 3:00pm - 6:00pm.

We thank you again for sharing your precious child with us.

Ms. Bobbi & Ms. Ada

Song lyrics of the month

Blue song (sung to: “Itsy Bitsy Spider”)

B-l-u-e spells the color blue.
B-l-u-e spells the color blue.
Blue is the ocean splashing onto you!
B-l-u-e spells the color blue.

B-l-u-e, the color of the sky.
B-l-u-e, the color of the sky.
The strong wind blows,
and a kite soars up high!
B-l-u-e, the color of the sky.

Square song (sung to: “This Old Man”)

See the squares everywhere!
This tablecloth shape is a square.
A sandwich with a slice of cheese and meat…
these are square I like to eat!
Like the board for a game,
Every side is just the same.
It takes 4 sides to form a square.
You can find squares everywhere!
