Differences between Subsidized and Unsubsidized Direct Loans ...

Subsidized Loans: Are based on financial need, as determined by the FAFSA completion process; interest is paid by the federal government while the borrower is in school at least half-time (6crhrs), throughout the six month grace period and during periods of deferment. The Financial Aid Office will automatically determine your subsidized eligibility.

***Unsubsidized Loans:** Are not based on the student's financial need and the borrower is responsible for the quarterly interest from the date the funds are disbursed. The Financial Aid Office will not determine this eligibility unless you check this box.

Eligibility Requirements:

- Be a U.S. Citizen or national or eligible non-citizen
- Maintain Minimum Standards of Academic Progress

- Be enrolled at least a half-time basis (6 credit hours) in an eligible degree or State Licensure program

- Comply with Selective Service registration requirements
- Not be in default on any student loan or owe a refund on a grant
