

# BUSINESS INNOVATION & GROWTH CENTER

## Strategic Advisors

The BIG Center works with Strategic Advisors to ensure that our founders are exposed, coached and connected to the booming entrepreneurial ecosystem in Chicago and beyond. Offering consultancy and educational workshops, our advisors put expertise at the fingertips of our founders and support the development of the Center.

This is a great opportunity to shape the future of innovation and be a catalyst among the next generation of business and tech leaders.

### Strategic Advisors will:

- serve as an advisor to the Executive Director on strategic operations;
- provide business acumen, coaching and mentorship to program participants;
- host industry-relevant workshops to build up professional skills;
- introduce connections to program participants to widen their network;
- enhance the reputation of the BIG Center through outreach and promotion;
- financially support the BIG Center with an annual commitment that will fund the programming and educational efforts of the Center.

Advisors will meet quarterly for 1-2 hours and commit to 3-5 hours a month to meet deliverables.
