CON’GRAD’ULATIONS

According to the Northeastern Illinois University Financial Aid Office and Ascendium GRAD Ready platform, 6 students competed in financial literacy modules during Spring, 2023! Three students tied in first place as one of the top badge earners from using the GradReady© Financial Literacy tool! This means post curriculum, they scored a perfect score of 100!

A $500 scholarship will be reflected in NEIUport for Spring, 2023. Students who do not have a balance with the University, can contact Student Payment Services at (773) 442-5175 regarding the timeframe in which to anticipate the credit balance refund.

Students who owe a balance to the University, the $500 will be applied against the balance due.

Don’t stop now! GradReady is being upgraded with new features and modules so continue to use it and spread the word to other NEIU students!
