***VISIT TO STORY LAND * THANKSGIVING ***

Dear Parents,

Our theme for November will be "A Visit to Story land". We will be focusing on Nursery Rhymes and our new puppet friend ,Mother Goose, will introduce us to her friends The Three Little Kittens who need our help to find they're mittens. And then we will help The Three Little Pigs rebuild their houses after the wolf's visit.

I am amazed at the amount of language the kids are showing every day and the social skills they are using as they play together. If the kids are talking about and naming animals it's because we have a mobile above the changing table which has about 10 animals. It has been a source of lengthy discussions of their names and the sounds they make.

We had a great time at the Teddy Bear Birthday Party and Halloween party.

Please stay safe over the Thanksgiving Holiday.

Happy Thanksgiving!
