The images on this poster represent an Astrocyte (a subtype of glial cells) and the salmonellosis bacteria (Salmonella enterica).

Want to learn more? Take BIO 316: Advance Medical Terminology or BIO 342/442G: Pathogenic Microbiology.

Courses for Non-Majors

BIO 100: Introduction to Biology
In-person
Lecture: Tues/Thurs 10:30-12:15pm
Lab: Tues/Thurs 12:25-2:15pm
with J. Thomas

BIO 104: Changing Natural Environment
Online with M. Readey

Required Courses for Biology Majors

BIO 250: Essential Skills for Biologists
In-person
Fri 10:00-1:50pm with K. Conwell

BIO 201: General Biology I
First Half of Summer
Lecture: Mon/Tues/Weds/Thurs 10:00-11:50am
Lab: Mon/Tues/Weds/Thurs 12:00-1:50pm
with S. Mungre

BIO 202: General Biology II
Second Half of Summer
Lecture: Mon/Tues/Weds/Thurs 10:00-11:50am
Lab: Mon/Tues/Weds/Thurs 12:00-1:50pm

BIO 301: Cell Biology
In-person
Lecture: Mon/Weds 2:30-4:40pm
Lab: Mon/Weds 4:50-7:00pm
with C. Voisine

BIO 303: Genetics
Online Lecture
In-Person Lab: Mon/Weds 11:00-2:00pm
with T. Campbell

BIO 305: WIP General Ecology
In-person
Lecture: Tues/Thurs 12:15-2:30pm
Lab: Tues/Thurs 2:45-5:00pm
with J. Kasmer

BIO 390: Senior Seminar
Online with E. Booms

Courses for Non-Majors

BIO 104: Changing Natural Environment
Online with M. Readey

Biology Electives

BIO 316: Advance Medical Terminology*
Second Half of Summer
Hybrid Lecture
Tues/Thurs 9:30-11:50am with N. Habib
*Pending approval. Contact biology@neiu.edu for more information.

BIO 342: Pathogenic Microbiology
Hybrid Lecture
Tues 5:40-7:50pm with K. Rihani

Biology-Related ELE-X Course

BIO 300A: Food and Drugs
Online with C. Park

Graduate Courses

BIO 442G: Pathogenic Microbiology*
Hybrid Lecture
Tues 5:40-7:50pm with K. Rihani
*Pending approval. Contact biology@neiu.edu for more information.

Meet with a biology advisor to go over what you need!

Email bioadvising@neiu.edu or come to walk-in advising:
BBH 342
M 2-4, T 4-6, Thu 11-1
or virtual
W 4-6 and F 12-2
tinyurl.com/biologyNEIU

 Required Courses for Biology Majors

BIO 250: Essential Skills for Biologists
In-person
Fri 10:00-1:50pm with K. Conwell

BIO 201: General Biology I
First Half of Summer
Lecture: Mon/Tues/Weds/Thurs 10:00-11:50am
Lab: Mon/Tues/Weds/Thurs 12:00-1:50pm
with S. Mungre

BIO 202: General Biology II
Second Half of Summer
Lecture: Mon/Tues/Weds/Thurs 10:00-11:50am
Lab: Mon/Tues/Weds/Thurs 12:00-1:50pm

BIO 301: Cell Biology
In-person
Lecture: Mon/Weds 2:30-4:40pm
Lab: Mon/Weds 4:50-7:00pm
with C. Voisine

BIO 303: Genetics
Online Lecture
In-Person Lab: Mon/Weds 11:00-2:00pm
with T. Campbell

BIO 305: WIP General Ecology
In-person
Lecture: Tues/Thurs 12:15-2:30pm
Lab: Tues/Thurs 2:45-5:00pm
with J. Kasmer

BIO 390: Senior Seminar
Online with E. Booms
