

Dear Parents,

The second month of the year is over and the children have had a lot of fun learning, discovering, experiencing and refining their understanding of Transportation. They learned the color red as well as the shape of heart.

The theme for March is “Community Service and Careers”. They will be introduced to the next shape and color which are: diamond and yellow. YELLOW DAY will be on Wednesday, March 13, 2023. Please remember to send your child to school wearing yellow on this day.

We are happy to announce that Louis and his family are back with us. We are so excited.

Ms. Ada & Ms. Bobbi

Helpers	Firefighter
Police Officer	Teacher
Doctor	Nurse
Plummer	Construction Worker
Baker	Pilot
Kite	Mail Carrier

Song lyrics of the month

Yellow song (sung to: “Twinkle, twinkle, little star”)

Y-e-l-l-o-w.

Feel the rain pour down on you.

Yellow raincoats in the street...

Stomping, splashing with your feet!

Y-e-l-l-o-w.

The sun comes out and shines on you!

Diamonds (sung to: “Sing a song of sixpence”)

These cookies are like diamonds.

So are kite up in the air.

It has four sides and corners,
but they don’t make a square.

They are there when you play baseball,
and when you play with blocks.

Diamonds can be anywhere...

Even on your socks!
