There are federal requirements that a student must meet to qualify for financial aid as an independent student (see section 5 Student Personal Circumstances of the **FREE Application for Federal Student Aid (FAFSA)**). If you do not meet one of the criteria listed on the FAFSA, you will be reviewed as a dependent student, meaning that your parents must provide income and asset information. In reviewing an appeal for a Change in Dependency Status, the federal guidelines suggest that the financial aid administrator consider those situations where it is **necessary** for the student to live separately from parents. This does not include students who make a **voluntary** decision to leave home nor does it include students who married after the completion of the FAFSA. If you believe that your file warrants re-evaluation as an independent student, please submit this form along with all requested documents to the NEIU Financial Aid Office. A determination will be made and you will be notified in writing.

1. On a separate sheet of paper, **please attach a typewritten explanation** addressing the necessary separation from your parents, qualifying you to be considered an independent student. Please attach any supporting documentation of your circumstance(s). **INCOMPLETE REQUESTS WILL NOT BE CONSIDERED.**

2. During the 2024-2025 academic year you will be residing:

\_\_\_ with parents\*      \_\_\_ with relatives      \_\_\_ in an apartment (attach copy of apartment lease)

**\*NOTE: Not living with your parents or self-support do not automatically classify you as an independent student.**

3. Attach copies of your and your parent(s)' **2022** IRS Tax Transcripts, 1099-K form(s) and W-2 form(s).

4. Did you receive financial aid in the 2023-2024 academic year as an independent student? \_\_\_\_\_

5. If you answered "yes" to question #4, please list the name of the school that you attended and attach a copy of the appeal from the other school. Please note overrides performed by previous institutions are not automatically approved.
