TERRITORY DESIGN INTERNSHIP

Territory is recruiting for their summer internship program. The Internship for Design Experience (TIDE) is a youth internship program hosted in partnership between Territory and partner firms in architecture, planning, construction, and community engagement. In addition to performing work in design industry office settings, the internship includes onboarding and work skills training. Interns will work with Territory and Partners to better understand an issue in their neighborhood and develop a proposal to solve it. Their insights will ultimately inform the development of a Territory studio project and other potential partner projects.

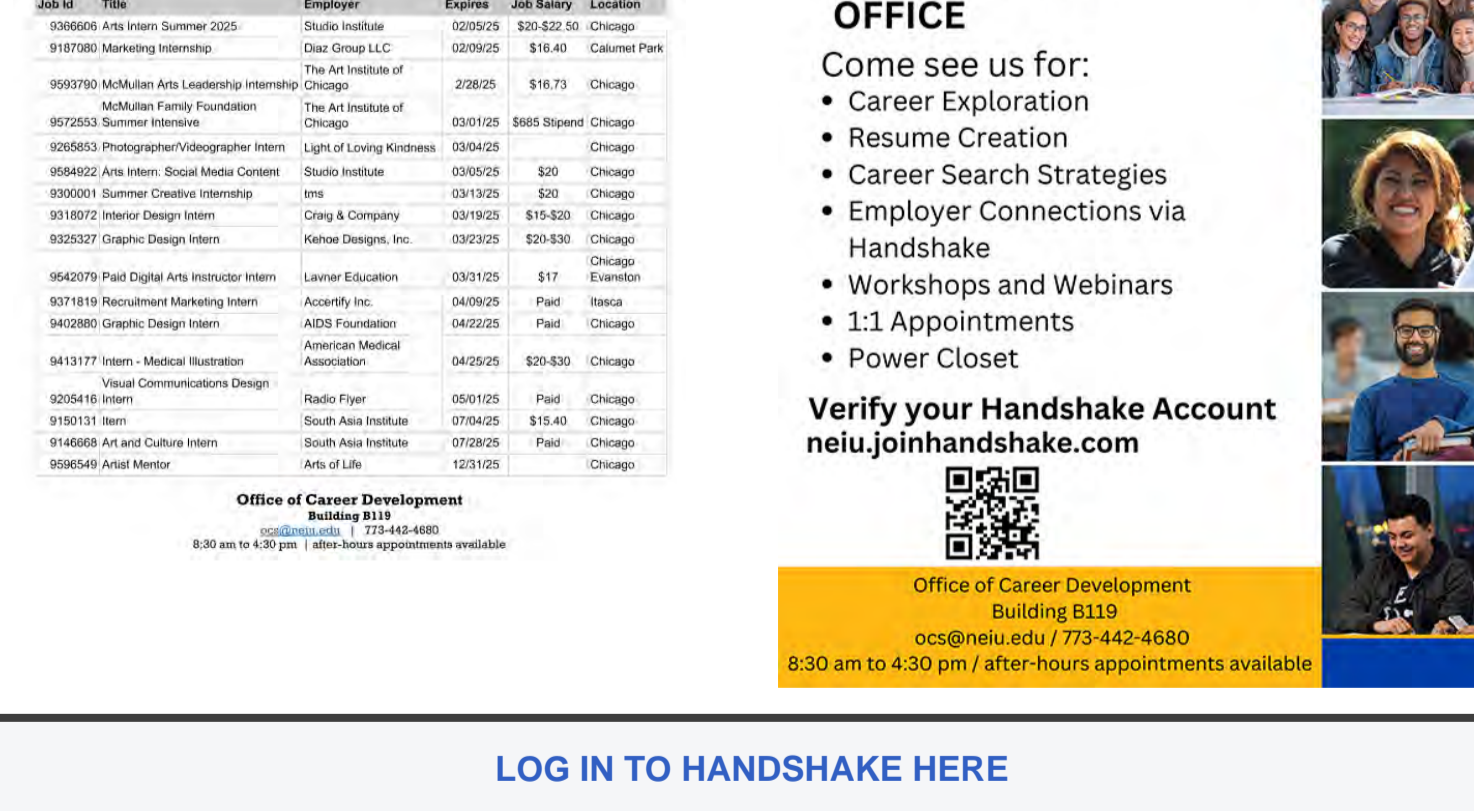

[Applicants](#) must be age 18-24 with a Chicago address and reside in a Westside neighborhood.
