A criterion for federal aid eligibility is academic progression towards a degree. Information in the U.S. Department of Education's central database, the National Student Loan Data System (NSLDS), <https://www.studentaid.gov> indicates you have received a Federal Pell Grant and/or a Federal Direct Loan at multiple institutions during the past four years. The information also indicates that you may not have received academic credit at some or any of these institutions. You cannot receive federal aid at Northeastern Illinois University until you provide the Financial Aid Office with information about your academic credit status at each institution in which you enrolled between summer 2023 and the present.
