

The Harry S. Truman Scholarship Foundation

Eligibility

**Candidate must be a junior
Graduating on December 2027 or August 2028**

- US Citizens, US National residents of American Samoa, or expecting their citizenship by the date of the award;
- Currently enrolled at a US-based accredited institution;
- In their penultimate year of school (for candidates graduating in four years or more) or in their final year of school (for candidates graduating in three years or fewer);
- Nominated by either their current institution of study or their former institution of study for transfer or community college applicants. Schools are limited to four nominees plus three additional transfer nominations; and,
- Planning to attend graduate school in pursuit of a career in public service. The Foundation encourages time between undergraduate and graduate school, so candidates need not commit to going immediately.

Committed to Public Service:

- "Public service means employment in: government at any level, the uniformed services, public interest organizations, non-governmental research and/or educational organizations, public and private schools, and public service oriented non-profit organizations such as those whose primary purposes are to help needy or disadvantaged persons or to protect the environment.
Harry S. Truman Scholarship Foundation, Code of Federal Regulations
45 CFR § 1801.4"

Candidate must be a junior (Graduating on December 2027 or August 2028)

- pursuing any major;
- any age;
- interested in a graduate degree likely to lead to a public service career; and, considering either domestic or international programs for their graduate education.
