

# February

## February Theme

In February, we will talk about community helpers: the people who keep us safe and well, those who build and fix things, and those who inform and care for us.

This month, we will talk about the color pink and the heart shape.

## VALENTINE'S DAY PARTY

One of the most exciting events of this month is Valentine's Day. It is a time we show our love and appreciation to other people. The children enjoy giving and receiving Valentines. On February 13, we will have a "Valentine Party". Children are welcome to bring cards and treats (**the store brought no nuts**) for their friends. We have a total of 11 children and 3 teachers in our classroom.
