

February

Dear Families,

Happy February! This month is Dental Health month, and we will be discussing how to take care of our teeth, types of healthy foods, and going to the dentist. We will also talk about how we can take care of our bodies - by eating right, exercising regularly, seeing the doctor and dentist, and practicing good hygiene. Finally, we will explore Groundhog Day and Valentine's Day.

Our Valentine's Day party will be Friday, February 13th. Your child is welcome to bring in Valentine cards and/or wrapped (store bought) treats - **no nuts please**. This is a great time to remind children about being a good friend, working together, and using kind words. The Busy Bees have been practicing writing their names all year, and they are doing a great job! Please encourage your child to sign their name on cards that they will be sharing with their friends. This will help them to build confidence and have pride in their skills. Please do not write friend's names on Valentines, as this will take too much time to pass out. We have 9 children in the Busy Bee Room.

***Reminder - We will be closed on Thursday, February 12th in observance of Lincoln's birthday.**

Best,

Heather

February Curriculum

Language Arts

- *Alphabet: Qq, Rr, Ss, Tt
- *Journals
- *Nursery Rhyme - Humpty Dumpty
- *February books

Math

- *Numbers: 16, 17, 18, 19
- *Shape - Heart
- *Odd/Even
- *Graphing
- *Counting to 100
