* TRANSPORTATION * WINTER AWARENESS *

Winter Clothing

Please label all your child's winter gear with their initials. We will try to get outside as much as possible as long as the kids are dressed appropriately

Welcome Back!

We hope the holidays were fun and restful even in this chaotic time for our country.

January will be a very busy time for us. We will be learning about several themes this month: Transportation, Winter Awareness, and the color White. We will talk about how things move: on wheels, along rails, fly in the sky, sail on the sea. We will be making trains, cars, airplanes, and sail boats.

Our new Teddy Bear friend, Sefani, is starting today. I hope she and her family find this as a warm and comforting place to be.

We will try to get outside most days. (We will keep an eye on the wind chill and temperature.)

Special Days:

We will have a special treat on Monday the 12th. As my traditional treat for the kids for my birthday(which is actually the 11th) we will have some vanilla ice cream.

THANK YOU!!

Thank-you to everyone for the gifts and cards we received for the holidays.

And thank-you for giving us such GREAT KIDS to work with.

The Teddy Bear Teachers,
Kathy, Tanisha

Dates To Remember

3 - Joan's Birthday

11 - Ice Cream Day

11 - Kathy's Birthday

**18 - Martin Luther
King's Birthday -
No School**
