

January

Dear Parents,

We would like to wish everyone a healthy and happy New Year! We hope you enjoyed the holiday season with your little ones and family and had a fun break filled with joyful activities. As the New Year begins, we will continue with our theme, color, and shape for the month.

This month's theme is Winter. We will explore the winter season and learn more about it by discussing the weather. During our outdoor time (when the weather permits), we will talk about whether it is hot or cold, sunny or cloudy, rainy or snowy, or windy. By learning about the weather, children will gain a better understanding of science and nature.

This month, we are focusing on the color white, which ties in nicely with our theme. The shape we will be working on is a triangle.

We're having Pajama Day on Friday, January 30. Dress your child in their PJs, and if they want to change before lunch, don't forget a change of clothes. We'll also have a special treat, and we'll share what it is soon!

Happy 2026

Ms. Celine

Dates to Remember:

Monday, January 5, 2026 - Center reopens

Monday, January 5, 2026 - Luca's Birthday

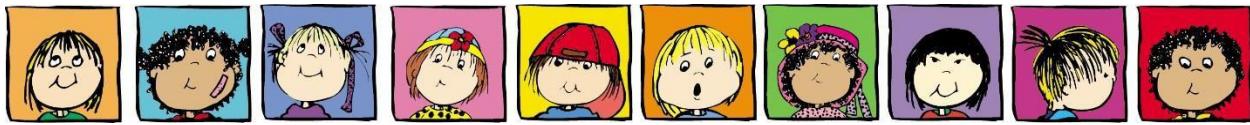

Monday, January 19, 2026 - **Center Closed---**

Martin Luther King Jr. Day

Song lyrics of the month

White song (sung to: "Mary Had a Little Lamb")

Spell the color white with me. W-H-I-T-E.

Spell the color white with me.

W-H-I-T-E.

Many things we see are white:

Sparkling teeth, gleaming bright!

Marshmallows and clouds we see!

W-H-I-T-E.

Triangles (sung to: "Twinkle, twinkle, Little Star")

I see triangles all around...

Pointy hats on circus clowns.

Some are tall. Some are wide.

Everyone has 3 straight sides.

Some point up, and some point down.

Triangles are all around!
