

MARCH

Marsh Theme

March is the month we talk and learn about FOOD! Each week, we will be focusing on a different group of foods and have a special food project according to the food groups.

We will also learn about the color blue and the diamond shape.

Dramatic Play

This month, the children will have the opportunity to visit our classroom Grocery Store. They can shop for groceries: put them in their cart, pay them at the cash register, and pack their groceries up. You can help stock our grocery store by bringing in clean empty food packages and/or store sale papers.

Special Theme Day

For the special day, we are going to have "Popcorn Day" on Friday, March 27. Your child needs to bring a small bag of any kind of popcorn on this day.

Dates to remember:

March 12 - Picture Day!

March 23 - Gemma's

4th Birthday!

March 27 - Popcorn Day!
